Why do we need your help?

- Litter is unsightly - it destroys the aesthetics of our beautiful parks and City.
- Litter is expensive – we hire seasonal workers to pick up litter and empty trashcans for five months each year and still we cannot keep up with the problem.
- Your help each spring, summer, and fall will save tax dollars and allow maintenance workers to devote time and effort to other important projects.
- A litter free community is inviting to visitors, prospective new citizens, and businesses.

What are the adopter's responsibilities?

- Begin park clean up in April. Throughout the summer and fall maintain adopted area on a weekly basis.
- Assist with litter pick up, flowerbed weeding, raking leaves, and twig/small branch pickup.
- Bring a first aid kit.
- Encourage participants to bring a cell phone.
- Be prepared to move out of way of bicyclists, in-line skaters, and pedestrians on the recreational paths.
- Watch footings when close to river, on steep or muddy banks, or near dams.
- Avoid Poison Ivy. (Leaves of three let them be)
- Discontinue work in inclement weather, especially during times of reduced visibility, during electrical storms, and during other daylight conditions.
- Avoid over exertion, drink plenty of water especially on warm, humid days.
- Volunteers under the age of 18 must be supervised by a responsible adult.
- Recommend wearing long pants, shoes or boots (no open toes or sandals), and sunscreen/bug repellent.
- Suggested ratio: 1 adult to 10 youth (ages 12 and under)

- Each adopter or one time group does hereby agree to indemnify and hold harmless the City, its agents and employees from all costs, including attorney fees, as a result of any personal injury to any individual and/or group, or other person, or property damage to city property or any other person's property caused by, or as a result of his or her actions while performing the responsibilities under this Adopt-A-Park Program.
