MARCH 1, 2016:

Deadline for Minnesota contractors to submit documents to Dept. of Labor & Industry for renewal of licenses expiring March 31, 2016,

HBA of F-M members and non-members are welcome to attend!

This course is approved by the Minnesota Department of Labor and Industry for 7.2 credits for residential contractor continuing education satisfying credits (referenced to the left) toward continuing education for building contractor, residential remodeling or residential roofing continuing education requirements for re-licensure. This includes the 2 hours of energy (for all contractors).

Registrants must fill out this form and return with payment.

All registrations must be pre-paid and received at least 24 hours in advance of the class. Refunds will only be provided if notice of cancellation is received 24 hours before the class.

If an approved class is cancelled, all fees will be returned within 15 days of the date of cancellation.

Classes are pending approval for seven North Dakota Professional Builder credits through the North Dakota

Association of Builders. For more on the NDPB designation: www.ndbuild.com.
