# Parks and Recreation

Beat the heat in one of Moorhead's wading pools or at the Municipal Pool

Parks and Recreation offers a wide variety of programming for youth, adults, and seniors throughout the year as well as several special events for the community. The City of Moorhead takes pride in its 46 scenic parks, miles of bike and walking trails, playgrounds, swimming pools, shelters, golf courses, skating rinks, and dog park.

Get involved by volunteering with Parks and Recreation as a baseball coach, special event assistant, greeter, park program assistant, or docent. Volunteers may also adopt-a-flowerbed or adopt-a-park to help beautify our city.

# Fire Department

## Fire-safety basics

- Install and interconnect smoke alarms in bedrooms, outside sleeping areas, and on every level of the home – when one sounds, they all sound
- Test smoke alarms at least once a month using the test button and replace smoke alarms every 10 years
- Ensure everyone can hear the smoke alarms
- Make a fire escape plan and practice – know at least two ways out of every room, if possible, and a meeting place outside
- Get out and stay out when the smoke alarm sounds
- Consider a home fire sprinkler system if you are building or remodeling your home

# Snow and Ice Removal

## Property Owner Responsibility

### Sidewalks

The occupant and/or owner of every building and unoccupied lot on any street or avenue must clear the sidewalk of snow and ice in front of the building or lot by 9 pm of each day, and keep it clean of snow and ice.

### City Abatement Removal

Inspectors will leave a notice at the property when sidewalks are not cleared in a timely way. The notice will have a compliance timeline. If the sidewalks are not cleared by the compliance date, the City will hire the snow removal and the property owner will be charged for all costs.

## Depositing Snow on Streets

Property owners must make arrangements to keep snow off the street and away from intersections.

## Reporting

If you notice a public sidewalk that has not been cleared, please let us know. An inspector will initiate the notification and enforcement process. Contact us at [neighborhood.services@cityofmoorhead.com](mailto:neighborhood.services@cityofmoorhead.com) or **218.299.5434**.

<b>What is it?</b>	CodeRED® is an automated, recorded message notification system to reach mass individuals by phone.	The Outdoor Warning System utilizes a series of sirens capable of producing audible signals to warn individuals outside of a threat.
