Moorhead Parks and Recreation Sponsorship and Advertising Opportunities

The Parks and Recreation department within the City of Moorhead has a mission to enrich the lives of its citizens by providing a comprehensive system of parks, and affordable, diverse recreation programs that encourage health, fitness, relaxation, and cultural enrichment, as well as providing opportunities for community involvement. This is accomplished through activity programs such as our summer parks program; special events like the annual Greater Moorhead Days; facilities such as Village Green and The Meadows Golf Courses; and adaptive programs that include soccer, swimming, and more!

The Parks and Recreation Department seeks partners that are interested in sponsoring one of our events, or that are interested in advertising options. The opportunities to get involved are listed below, and more information can be found on succeeding pages.
