## **City Beautification Volunteer Opportunities**

The City Beautification committee has developed an ongoing comprehensive plan to help keep Moorhead clean and beautiful by encouraging community volunteers to adopt various areas throughout the city.

# Why do we need your help?

- Litter is unsightly. It destroys the aesthetics of our beautiful City.
- Litter is expensive. The City hires seasonal workers to pick up litter and empty trashcans throughout the year, and we still cannot keep up with the problem.
- Your help will save tax dollars and allow our maintenance team to devote time and effort to other important City projects.
- A litter-free and beautiful community is inviting to visitors, prospective new citizens and businesses

# Areas for volunteers to adopt (maps available online at moorheadparks.com/volunteering):

- Adopt-a-Park: Volunteer April-October on a bi-weekly basis to maintain our parks through litter pick-up and raking leaves (46 parks to adopt).
- 2. <u>Adopt-the-Red:</u> Volunteer May-October on a monthly basis to pick up litter along the river corridor trail (12 zones to adopt).
- 3. <u>Adopt-a-Flowerbed:</u> Volunteer end-of-May through fall by planting and maintaining a flowerbed in downtown Moorhead (31 flowerbeds to adopt).
- Adopt-a-Street: Volunteer April-October on a monthly basis to pick up litter along City streets. Priority areas have been identified on the Adopt-a-Street Map (19 sections to adopt).
- 5. <u>Adopt-a-Pond:</u> Volunteer once in May/June and again in September/October to pick up litter around a storm water pond (29 ponds to adopt).

### **How to Get Involved**

- **1.** Fill out the Volunteer Application on the City website. Or, contact parkandrec@moorheadmn.gov or call the recreation coordinator at 218.299.5078.
- **2.** Identify an area you are interested in adopting. Full-season or one-time groups are accepted! All opportunities can be found at <a href="mailto:moorheadparks.com">moorheadparks.com</a>
- **3.** Complete the appropriate agreement form and schedule a cleanup date with the Recreation Coordinator.
- **4.** Contact the Recreation Coordinator to arrange a time to pick up any garbage bags, gloves, rakes, pickers, etc. on site. **P:** 218.299.5078
- **5.** Please return any unused supplies, rakes, pickers and evaluation forms to Parks and Recreation.
- **6.** Complete the provided evaluation form and return to the Recreation Coordinator.
- 7. Volunteers will be recognized through signage and/or on our website.
