CONDITIONS FOR USE

The permit exempts a vehicle displaying the permit from the posted, on-street parking 3-hour time limit restrictions within one block of the permit holder's residence. Eligible households may be issued a maximum of one (1) permit per residence valid for the 3-hour parking restriction calendar year (August 15 to May 15) and annual renewal is required. Residential Parking Permits do not guarantee a parking place, nor grant parking privileges at another location. Residential Parking Permits do not allow parking in violation of any other parking restrictions as limited by state law or City Ordinance Title 5, Chapter 2 (24 hour limits, street/sanitation maintenance days, snow removal declarations, etc.). When used, the permit must be in full display to be valid – no exceptions. Permits are transferrable between your vehicles and that of your guests, however guest use is monitored. Special event exemptions for graduations, weddings, contractors work etc. are granted on a case by case basis through the Moorhead Police Department. Unpaid parking/traffic fines and improperly registered vehicles may be cause for denial of permit issuance.

Permit theft, duplication or fabrication is a misdemeanor under City Ordinance 5-2-7-3. Use of a stolen, duplicated, or fabricated permit is a crime and could lead to vehicle impounds and criminal penalties. Permits are the property of the City of Moorhead and can be voided or recalled without cause. There is a \$25.00 fee for permit replacement.
