City Beautification Volunteer Opportunities

The City Beautification committee has developed an ongoing comprehensive plan to help keep Moorhead clean and beautiful by encouraging community volunteers to adopt various areas throughout the city. This committee is comprised of Trevor Magnuson, Recreation Coordinator; Steve Iverson, Public Works Director; Mike Schroeder, Park Maintenance Manager; Kim Citrowske, Assistant City Planner; Andrea Crabtree, Utilities Engineer; and Christine Holland, River Keepers.

Why do we need your help?

- Litter is unsightly - it destroys the aesthetics of our beautiful City.
- Litter is expensive - the City hires seasonal workers to pick up litter and empty trashcans throughout the year, and we still cannot keep up with the problem.
- Your help will save tax dollars and allow our maintenance team to devote time and effort to other important City projects.
- A litter-free and beautiful community is inviting to visitors, prospective new citizens, and businesses.

Six areas for volunteers to adopt (maps available online):

<http://www.cityofmoorhead.com/departments/parks-recreation/volunteering>

2. **Adopt-the-Red:** Volunteer in May-October on a monthly basis to pick up litter along the river corridor trail (11 zones to adopt).
3. **Adopt-a-Flowerbed:** Volunteer the end of May and throughout the summer/fall by planting and maintaining a flowerbed in downtown Moorhead (27 flowerbeds to adopt).
4. **Adopt-a-Street:** Volunteer April-October on a monthly basis to pick up litter along City streets. Priority areas have been identified on the Adopt-a-Street Map (19 sections to adopt).
5. **Adopt-a-Pond:** Volunteer once in May/June and again in September/October to pick up litter around a storm water pond (30 ponds to adopt).
6. **Adopt-a-Hydrant:** Volunteer throughout the snowy months to clear one or more neighborhood hydrants. Keep them clear 3 feet and to the street to assist the Moorhead Fire Department in case of an emergency (2000+ hydrants to adopt).
