

Generalized Subdivisions in the City of Moorhead

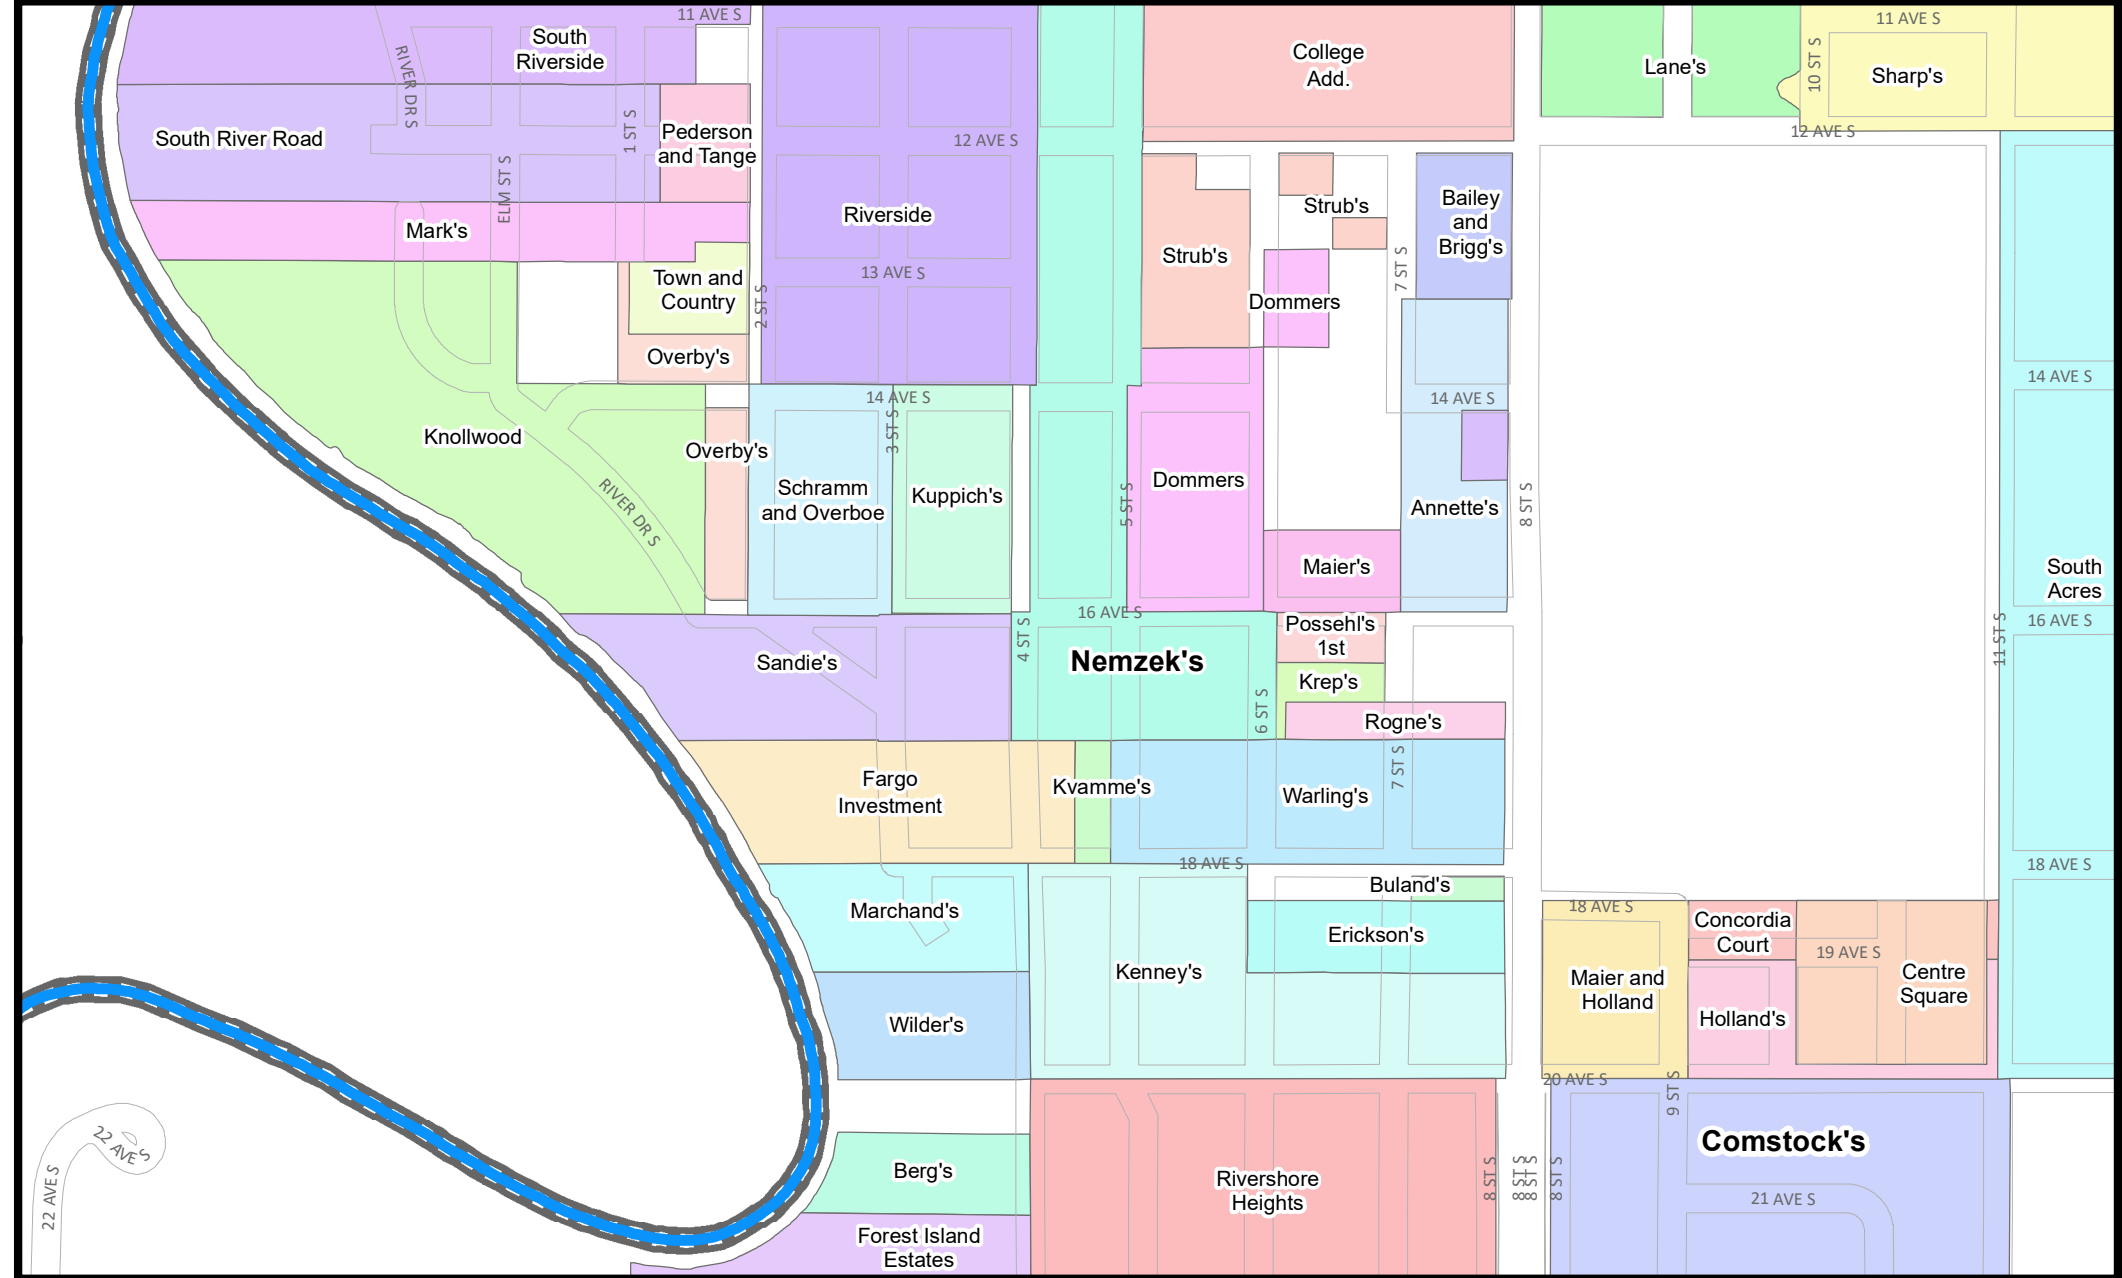

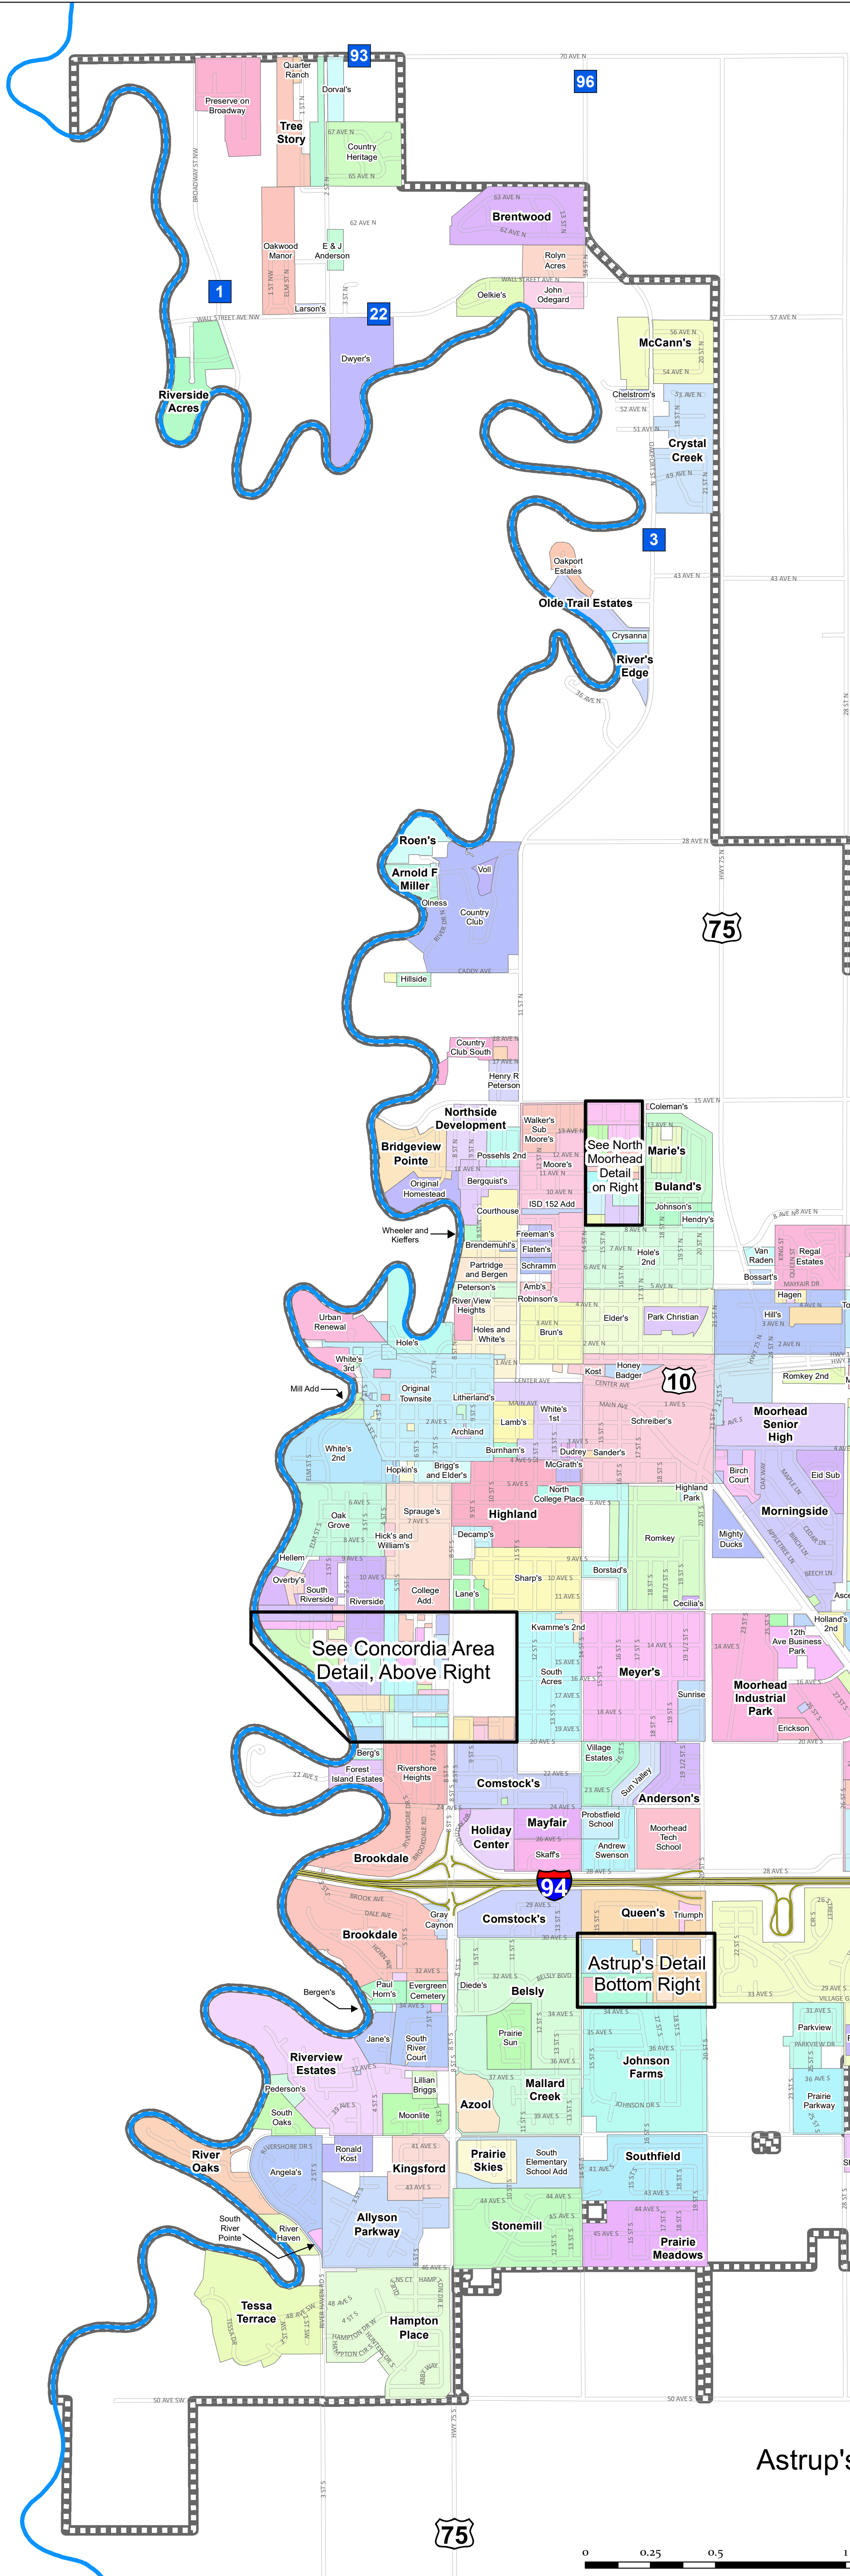

May 2022

Red River

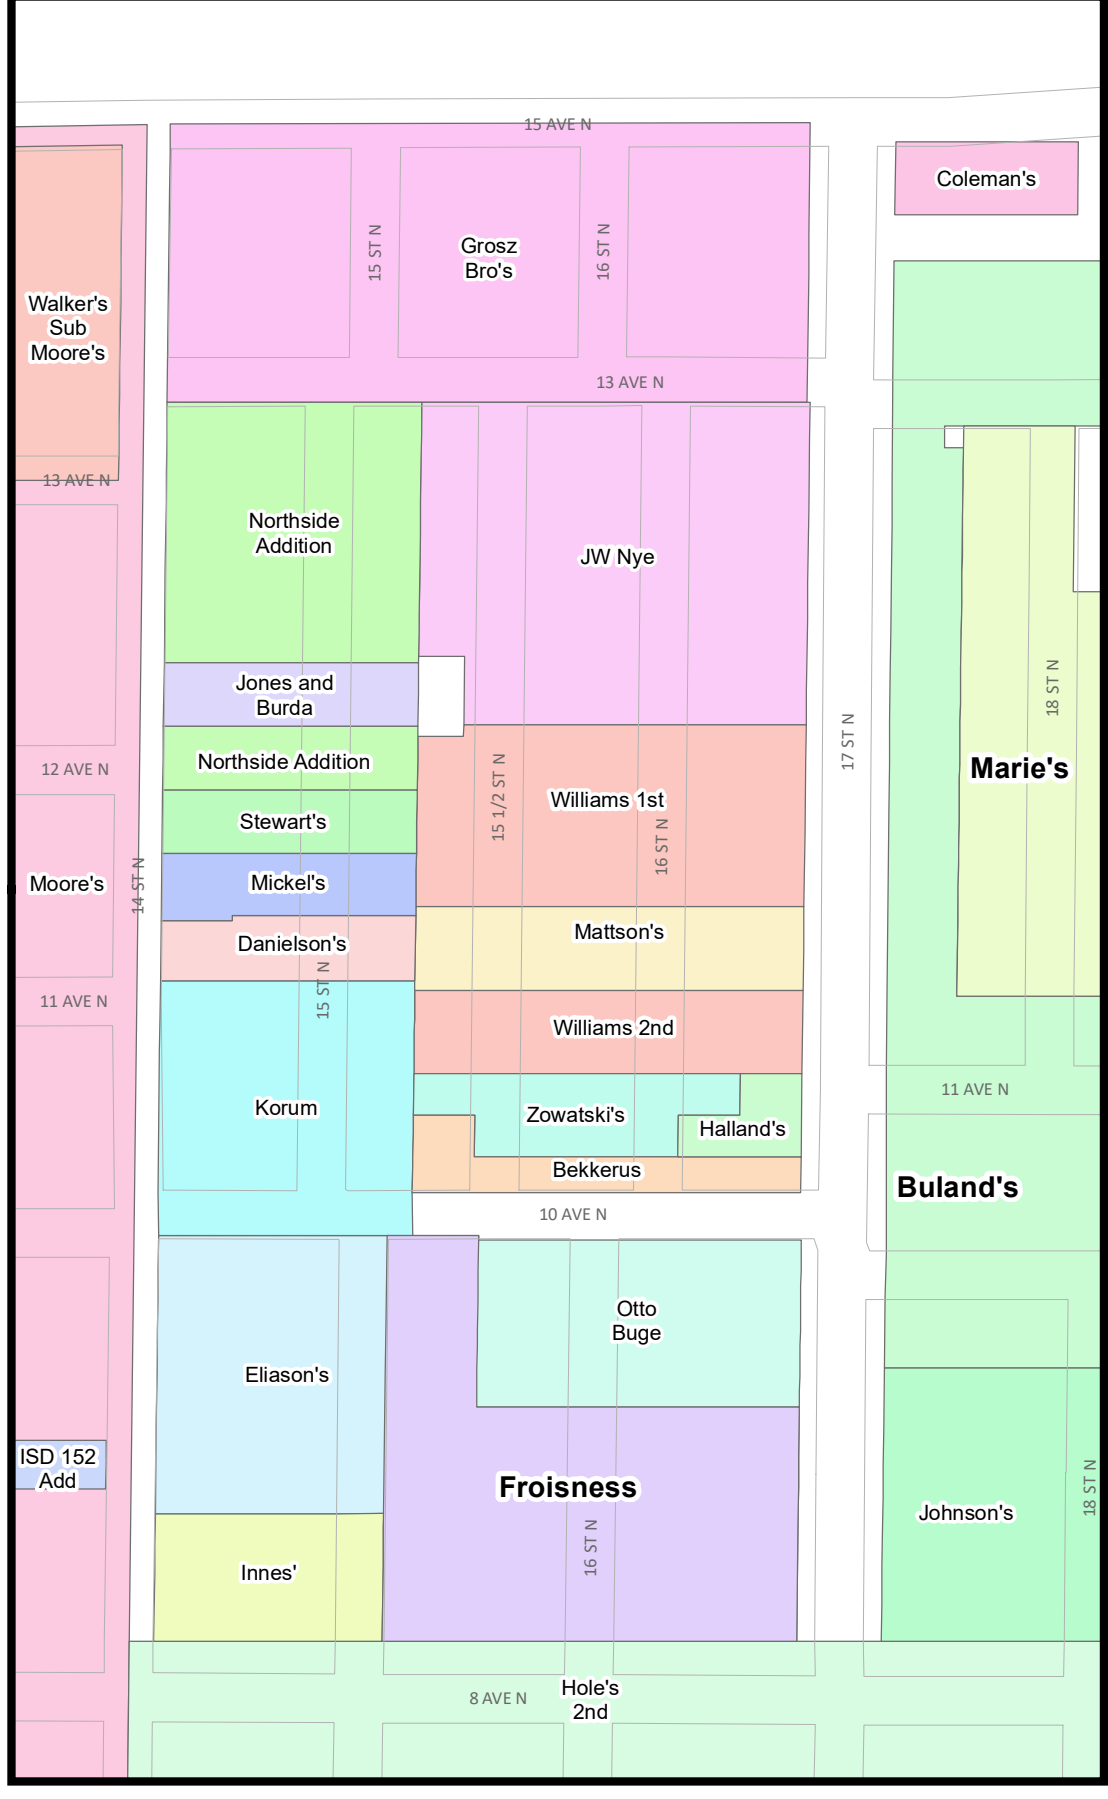

City Limits

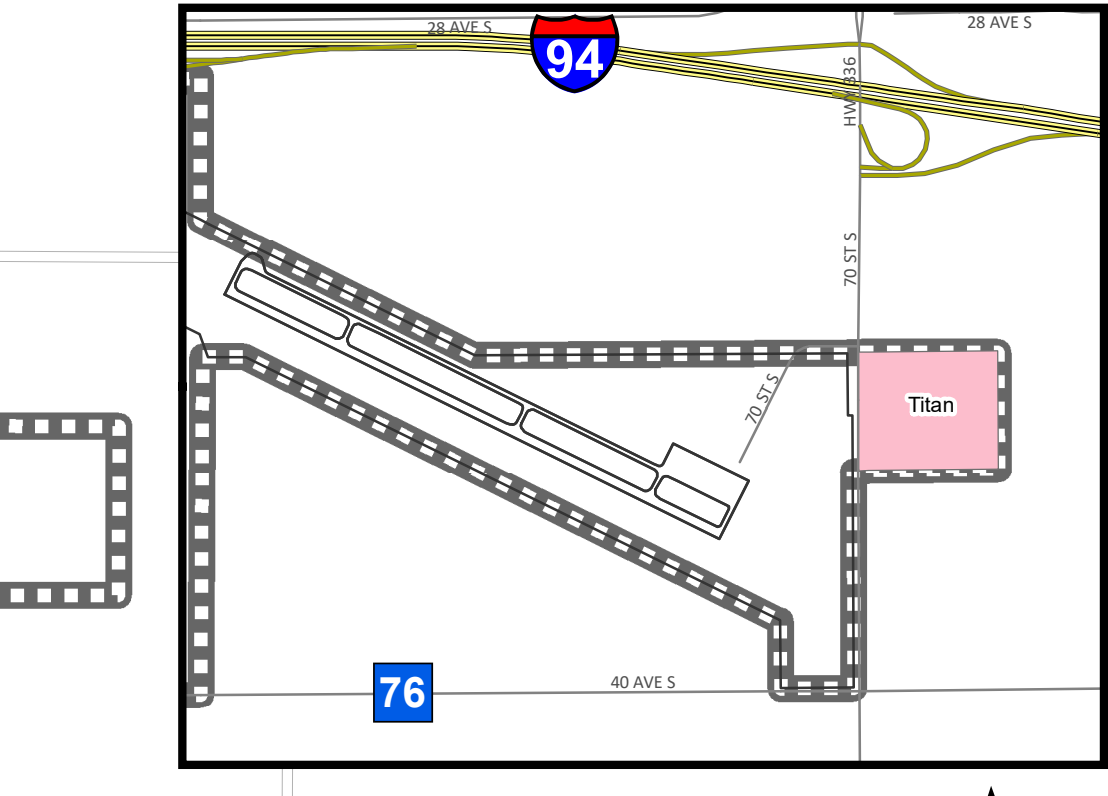

Concordia-Area Detail

Development
 A development is an area of Contiguous Plats that share a common name.
 Example: Village Green 1st, 2nd, 3rd... etc.

Subdivision
 also called Additions, these are areas that were platted but are not part of a series that shares a name. Sometimes discontinuous plats do share a common name and are numbered sequentially because they were developed by the same person.
 Example: White's 1st, 2nd, and 3rd.
