

Marketing & Communications Internship—Public Transit

OVERVIEW

The city appreciates the impact that talented, energetic students can have in our organization and on the community and is pleased to provide learning experiences to prepare our next generation citizens.

MATBUS is a public transportation system jointly operated by the City of Moorhead and the City of Fargo. The system consists of 23 fixed routes covering Moorhead, Dilworth, Fargo and West Fargo, as well as MAT Para-transit, a door-to-door service.

This intern will participate in all aspects of a communications role within city government, and will finish the internship with practical and valuable experience.
