ARTICLE 6. EMPLOYEE RIGHTS - GRIEVANCE PROCEDURE

6.1 Definition of a Grievance

A grievance is defined as a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this Agreement.

6.2 Union Representative

The Employer will recognize Representatives designated by the Union as the Grievance Representatives of the Bargaining Unit having the duties and responsibilities established by this Article. The Union shall notify the Employer in writing of the names of such Union Representatives and of their successors when so designated as provided by 5.2 of this Agreement.

6.3 Processing of a Grievance

It is recognized and accepted by the Union and the Employer that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the Employees and shall therefore be accomplished during normal working hours only when consistent with such employee duties and

responsibilities. The aggrieved Employee and a Union Representative shall be allowed a reasonable amount of time without loss of pay when a grievance is investigated and presented to the Employer during normal working hours provided that the Employee and the Union Representative have notified and received the approval of the designated supervisor who has determined that such absence is reasonable and would not be detrimental to the work programs of the Employer.

Procedure

Grievances, as defined by Section 6.1, shall be resolved solely in conformance with the following procedures:

Step 1.

An Employee claiming a violation concerning the interpretation or application of this Agreement shall, within twenty-one (21) calendar days after such alleged violation has occurred, present such grievance to the Employee's supervisor as designated by the Employer. The Employer designated representative will discuss and give an answer to such Step 1 grievance within ten (10) calendar days after receipt. A grievance not resolved in Step 1 and appealed to Step 2 shall be placed in writing setting forth the nature of the grievance, the facts on which it is based, the provision or provisions of the Agreement allegedly violated, the remedy requested, and shall be appealed to Step 2 within ten (10) calendar days after the Employer designated Representative's final answer in Step 1. Any grievance not appealed in writing to Step 2 by the Union within ten (10) calendar days shall be considered waived.

Step 2.

If appealed, the written grievance shall be presented by the designated Union grievance representative(s) and discussed with the Employer designated Step 2 Representative. The Employer designated Representative shall give the Union the Employer's Step 2 answer in writing within ten (10) calendar days after receipt of such Step 2 grievance. A grievance not resolved in Step 2 may be appealed to Step 3 within ten (10) calendar days following the Employer designated Representative's final Step 2 answer. Any grievance not appealed in writing to Step 3 by the Union within ten (10) calendar days shall be considered waived.

Step 3.

If appealed, the written grievance must be in writing and shall be presented by the designated Union grievance representative(s) and discussed with the Employer designated Step 3 Representative

(City Manager or his/her designee). The Employer designated Representative shall give the Union the Employer's answer in writing within ten (10) calendar days after receipt of such Step 3 grievance. A grievance not resolved in Step 3 may be appealed to Step 4 within ten (10) calendar days following the Employer designated Representative's final answer in Step 3. Any grievance not appealed in writing to Step 4 by the Union within ten (10) calendar days shall be considered waived.

Step 4.

A grievance unresolved in Step 3 and appealed to Step 4 by the Union shall be submitted to arbitration subject to the provisions of the Public Employment Labor Relations Act of 1971 and amendments thereto. The selection of an arbitrator shall be made in accordance with the "Rules Governing the Arbitration of Grievances" as established by the Bureau of Mediation Services, except that for grievances subject to Minnesota Statutes, section 626.892, the selection of an arbitrator is governed exclusively by that law. During the time between the appeal to Step 4 and the date set for arbitration, either party may, by mutual agreement, submit the grievance to mediation through the Bureau of Mediation Services for attempt at resolution. A submission to mediation preserves the timelines for filing Step 4.

6.5 Arbitrator's Authority

- A. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the terms and conditions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the Employer and the Union, and shall have no authority to make a decision on any other issue not so submitted.
- B. The arbitrator shall be without power to make decisions contrary to, or inconsistent with, or modifying or varying in any way the application of laws, rules or regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing within thirty (30) days following the close of the hearing or the submission of briefs by the parties, whichever occurs later, unless the parties agree to an extension. The decision shall be binding on both the Employer and the Union and shall be based solely on the arbitrator's interpretation or application of the expressed terms of this Agreement and to the facts of the grievance presented.
- C. The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Union, provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings, the cost shall be

shared equally.

6.6 Waiver

If a grievance is not presented within the time limits set forth above, it shall be considered "waived." If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the Union may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the Employer and the Union in each step.

ARTICLE 7. SAVINGS CLAUSE

7.1 This Agreement is subject to the laws of the United States, and the State of Minnesota. In the event any provision of this Agreement shall be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided, such provisions shall be voided. Section 1.5 Any Bargaining Unit Employee promoted to the position of Sergeant or Lieutenant on or after January 1, 2018 will be placed on the step that is the step closest to, but not less than, their base wage as of the date they begin employment in that job classification plus one (1) step in the base pay schedule specified in Section 1.2 of this MOU. Upon successful completion of the six (6) month probationary period, employees will receive one (1) additional step in the wage schedule. The ongoing wage anniversary date for these employees will be the first day after they successfully complete their probationary period, except that the ongoing wage anniversary date for such employees that were promoted to the position of Sergeant or Lieutenant from January 1, 2018 through June 30, 2018 will be March 1. The Employer may, at its discretion, modify the placement step, and additional step, and anniversary date solely for step purposes specified in this section of employees promoted to position of Sergeant to address any concerns related to such steps relative to other employees in the position of Sergeant. The Employer shall notify the Union of any such modification. The Employer will not modify the placement step, additional step, or anniversary date for any employee to be at a lower step or later step date that as established in the first sentence of this section.

Section 1.6 Bargaining Unit Employees employed as Police Sergeant will be paid at a step in pay grade 22, subject to satisfactory performance, if they are employed both for: (i) 10 continuous years as a licensed peace officer with Employer; and (ii) 3 continuous years as Police Sergeant. The employee will initially be placed at the same step number in pay grade 22 that they were at in pay grade 21.

Bargaining Unit Employees employed as Police Lieutenant will be paid at a step in pay grade 26, subject to satisfactory performance, if they are employed both for: (i) 10 continuous years as a licensed peace officer with Employer; and (ii) 3 continuous years as Police Lieutenant. MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (“MOU”) is made by and between City of Moorhead, Minnesota (“Employer”) and Law Enforcement Labor Services, Inc. (Sergeants and Lieutenants) (“Union”).

WHEREAS, the Union is the exclusive representative for certain employees employed by Employer in an appropriate unit (“Bargaining Unit Employees”);

WHEREAS, the parties are parties to a Labor Agreement with a duration of January 1, 2022 through December 31, 2024;

WHEREAS, City has a policy regarding vacation benefits;

WHEREAS, the parties desire to specify terms of vacation for Bargaining Unit Employees that opt out of the vacation policy; and

NOW, THEREFORE, all parties hereto agree as follows:

Article 1. Vacation Opt-Out

Section 1.1. The Union will email to Employer Human Resources Director Amy Settergren at amy.settergren@ci.moorhead.mn.us by no later than 12:00 p.m on October 31, 2022 the names of Bargaining Unit Employees who are opting out of the City’s Vacation policy.

Section 1.2. Bargaining Unit Employees who opt out above will be subject to the following in lieu of the City Vacation policy and the Memorandum of Understanding regarding vacation:

A. Employees shall earn vacation at the following rate:

Zero through 5 Years	80 hours of vacation each calendar year
In the 6th Year	96 hours of vacation
In the 7th Year	104 hours of vacation
In the 8th Year	112 hours of vacation
In the 9th Year	120 hours of vacation
In the 10th-15th Year	128 hours of vacation
In the 16th Year	136 hours of vacation
In the 17th Year	144 hours of vacation
In the 18th Year	152 hours of vacation
In the 19th Year	160 hours of vacation
In the 20th Year	168 hours of vacation
In the 21st Year	176 hours of vacation
In the 22nd Year	184 hours of vacation
In the 23rd Year	192 hours of vacation
In the 24th Year	200 hours of vacation
In the 25th Year	208 hours of vacation

B. Vacation schedules are approved by department directors or division supervisors. Vacation may be granted to new employees during their probationary period at the discretion of their supervisor.

C. No employee is allowed to accumulate more than 280 hours of vacation. Whenever an employee accumulates more than 280 hours, each hour so accumulated will be placed in the Deferred Sick Leave Bank.

D. Extra Vacation

Extra vacation hours can be earned when the maximum accumulation of 960 hours of sick leave has been reached. When the maximum is reached and maintained, each additional hour of sick leave earned is split in half, with one-half (1/2) to be accumulated for use as extra vacation during the next calendar year.

E. Vacation Due Upon Termination

Upon leaving employment with the City, employees are paid accumulated vacation based on their hourly wage at the time of termination.

F. Experience Credit

Employees are given experience credit toward "years of service" based on the following criteria:

1. Education (maximum of 5 years):
 - a. 2-Year Degree = 2 years of service
 - b. Bachelors Degree = 4 years of service
 - c. Masters Degree = 1 additional year of service

2. Prior Experience in Same Field:

Employees with prior experience in the same field receive one-half (1/2) year credit for each one (1) year of such experience. This means "exactly the same job" at some other agency. Credit of 3/8 year for each year of actual service in a "very closely" related prior position will be granted.

3. Prior Experience in a Related Field

Employees with prior experience in a related field receive one-fourth (1/4) year credit for each one (1) year of such experience. This means very similar work. Certain active

duty military experience may be counted here. No credit is granted for National Guard or Reserve Time.

4. Prior Uninterrupted Service with The City of Moorhead in any full-time permanent position is given one (1) year credit for each year of service.
5. Total years of credit under Items 1, 2, and 3 cannot exceed ten (10) years.

Credit toward "years of service" is to be determined by the Human Resource Director. If agreement cannot be reached between the employee and the Human Resource Director, the department director will make the final determination.

No credit is given for more than one type of experience in a given year. For example, if an individual was in college, earning four (4) year's credit for a degree, no credit is given for after school or summer jobs in a related field during that same period of time. For the same reason, National Guard experience is not given credit.

- G. At the Employee's option, the Employee may sell back to the Employer a maximum of two (2) unused vacation days at the Employee's straight time rate of compensation. This sell-back option will be available to affected employees on or about December 1 of each year or when the Employee reaches or exceeds 270 accrued vacation hours, whichever is earlier. The Employee must maintain a minimum vacation balance of forty (40) hours after the vacation sell- back.
- H. The employee will be allowed, under 22.4 of the Labor Agreement, to earn and use in a calendar year and accrue a combined total at any time of up to 120 hours of compensatory time instead of 50 hours.

Article 2. Entire Understanding

This MOU constitutes the entire understanding among the parties hereto. No representations, warranties, covenants, or inducements have been made to any party concerning this MOU, other than the representations, covenants, or inducements contained and memorialized in this MOU. This MOU supersedes all prior negotiations, oral and written understandings, policies and practices with respect thereto addressing the specific subject matter addressed in this MOU.

Article 3. Waiver of Bargaining

While this MOU is in full force and effect, Employer and Union each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain

collectively with respect to the express subjects or matters included in this MOU, except as otherwise specified in this MOU.

Article 4. Limitations

This MOU is intended for the sole and limited purpose specified herein. This MOU cannot be construed to be nor does it constitute or establish any admission of the Employer, precedent, past practice or otherwise place any prohibition or limitation on any management right of the Employer except as otherwise prohibited or limited by the express terms of this MOU. The Employer expressly reserves the right to exercise all of its management rights without limitation unless otherwise limited by this MOU.

Article 5. Amendment or Modification

This MOU or any of its terms may only be amended or modified by a written instrument that: (1) expressly states it is amending or modifying the MOU; and (2) is signed by or on behalf of all of the parties hereto or their successors in interest.

Article 6. Voluntary Understanding of the Parties

This MOU is effective and executed on the latest date affixed to the signatures below.

Policy Previously Updated 3/22/2012

*Only applies to unrepresented employees and employees in bargaining units who have agreed to the policy language through removal of existing contract language regarding vacation leave.

Purpose

The City of Moorhead (City) outlines a policy to provide employees with paid vacation leave for purposes of assisting employees with maintaining a better work-life balance.

Policy

The City provides regular full-time and regular part-time employees with paid vacation as outlined under this policy. Temp/Seasonal employees, interns and Elected Officials are not eligible for vacation as outlined in this policy.

I. VACATION ACCRUAL SCHEDULE

- A. Vacation shall be accrued based on the following schedule. Regular part-time employees shall earn vacation on a pro rata basis.

Years of Service	Hours Earned Per Year
Date of hire through initial year	80
Start of year 2	88
Start of year 3	96
Start of year 4	104
Start of year 5	112
Start of year 6	120
Start of year 7	128
Start of year 8	136
Start of year 9	144
Start of year 10	152
Start of year 11	160
Start of year 12	168
Start of year 13	176
Start of year 14	184
Start of year 15	192

For the purpose of determining an employee's vacation accrual rate, years of service will include all continuous time that the employee has worked at the City starting on the employee's most recent hire date.

Under special circumstances, newly hired employees may be given credit toward "years of service" based on directly related experience, and/or adjustments may be made to their accrual balances at the time of hire. Requests for an exception may be submitted by the Department/Division Director to Human Resources and approved by the City Manager.

Additional vacation hours may be earned when the maximum accumulation of 960 hours of sick leave have been reached. See Section 7.10 – Sick Leave.

II. ADMINISTERING VACATION

A. Eligibility and Scheduling

- Vacation shall accrue at the end of each pay period and shall not be used until it is accrued.
- Vacation may be granted to new employees during their probationary period at the supervisor's discretion.
- Employees are required to follow their Department/Division procedures for submitting time off requests. Department/Division Directors are responsible for approving and scheduling vacation leaves for employees under their supervision. All vacation requests are subject to supervisor/director approval.
- Unused vacation shall accrue to a maximum of 280 hours for supervisors, directors and exempt employees and 240 hours for all other eligible employees, computed bi-weekly. Any time in excess of these maximums shall be placed in a deferred sick leave bank if not taken by the end of the last pay period of the current year. (Example: Last pay period of 2021 is 12-06-21 through 12-19-21, time in excess of the maximum will be placed in a deferred sick leave bank if not taken by 12-19-2021.) It is the responsibility of the employees to monitor their vacation balances to determine if they are nearing their maximum.
 - Department/Division directors may submit a request to Human Resources for exemption from the maximum accrual for instances where the employee was unable to use their annual leave due to circumstances beyond their control (i.e. extraordinary work demands). Any requests will be reviewed on a case-by-case basis and approved by the City Manager.

B. Coordination with other Policies

- Illness During Vacation
 - If an employee must be hospitalized for an injury or illness during vacation, sick leave benefits maybe used instead of vacation for the amount of time spent in the hospital. Employees are to notify their supervisors (if possible) within twenty-four (24) hours of being hospitalized.
- Funeral Leave During Vacation
 - If an employee suffers the loss of a family member or relative during regularly scheduled vacation and funeral leave is appropriate, the time off for the funeral will not be considered vacation. See Section 7.30 – Funeral Leave (Bereavement).
- Holidays During Vacation
 - When a paid holiday falls during a vacation period, the employee is not charged with vacation for that day, but instead charged holiday pay, provided it falls on a day when the employee is normally scheduled to work..

III. DONATION OF VACATION LEAVE TO ANOTHER EMPLOYEE

Employees may transfer vacation hours to another employee only under the following conditions:

- Such transfer will be authorized for employees faced with a serious medical emergency that caused a severe impact to them resulting in a need for additional time off in excess of their available accrued paid leave.
- Requests to receive such transfer of vacation leave must be submitted to Human Resources, in writing, by the recipient employee or by the recipient employee's supervisor with the consent of the recipient employee. The Human Resources Director will forward all such requests to the City Manager for final approval.
- The proposed recipient of the transfer must have used all of his/her paid leave before the transfer can occur.
- Potential donors must submit their request to donate in writing on the designated form to Human Resources. Such request will be kept on file in the Human Resources Department. The City Manager may limit the total number of hours that may be transferred.
- Such transfer shall be on an hour-for-hour basis.
- Any unused portion of such donated vacation shall be returned to the donor(s) on a pro rata basis.

IV. OTHER PAID LEAVE TIME

- A. Personal Leave Time: After 20 years of service with the City, employees shall receive 16 hours of personal leave per year. These hours will be prorated in the year the employee reaches the 20 year threshold and for the additional years after, they would receive the 16 hours at the first of the year. This personal leave must be taken by the end of the last pay period of the current year or it will be lost.
