

Sidewalk Installation Acknowledgement

Certificate of Occupancy Issued February - August

I acknowledge that front yard sidewalk at the below referenced address must be installed, inspected, and approved within three months of the above-stated date.

Certificate of Occupancy Issued September - January

I acknowledge that front yard sidewalk at the below referenced address must be installed, inspected, and approved by: a) within sixty days of issuance of the certificate of occupancy, or b) within sixty days after the first day a sidewalk permit is issued for the next construction season (if construction season is closed).

I further acknowledge that I am responsible for scheduling any subcontractors needed to complete this work and ensuring that the subcontractors are bonded with the City Engineering Dept. and comply with City Engineering standards, practices and policies.

I accept that should we fail to install the sidewalk by the above specified date, the City may proceed with the sidewalk installation and I will be invoiced for all associated costs incurred by the City of Moorhead.

Double fees will apply to permits that have not called in for line and grade, final inspections or working without a permit. The City reserves the right to order the removal of a sidewalk in the event that it is not installed to specifications, installed without a permit or final inspection was not performed.
